SAI File No. 1886

Dear John:

I am enclosing sheet #54 dated June, 1968, which has been marked to show the seating arrangement of the 9 councilmen at the councilmens desk in City Council Meeting Room 107. In front of each of these chairs we shall provide an approximately 20" wide drawer underneath the desk top. This drawer shall be keyed for privacy. I have further taped on to this print a plan of the Cacaous Room and Council Office Room which was approved by you and your committee in April, 1968. You will note that we have shown a large conference table seating a maximum of 12 people and with seating for the Press or whomever you might so desire on the south wall of the Council Cacaous Room. You will further note that the Council Office contains 9 file cabinets for use of the Councilmen.

I trust that the foregoing scheme as shown on the drawings and described above meets with your approval. We have previously ordered this work to be accomplished and unless I hear otherwise from you we shall continue to keep the work moving toward the completion as shown.

Sincerely,

Herman S. Strauss.
